Dear Robert,

I hope you are fine.

Back from Kenya, i would like to thank you very much Robert, for the very generous donation you gave to I&S for the Elleberr community's program.

We noted your wish to focus on children support.

I will be on leave for 10 days, and as soon as i will be back, after the 17th June, i hope we will meet with Celine, for giving you feed back of the projects and decide together the specific sector you will support with the 5000 euros.

We will ensure Caritas Monaco visibility and good results concerning your funding.

I copy this e mail to Dida, the director of the NGO Strategies for Northern Development, our partner for Northern Kenya's projects.

The money has been sent to Kenya, and as soon as we will decide together how we will allocate it, Dida will

take the lead of the activities implementation.

Thank you again, Robert, merci du fond du cœur pour ton soutien.
Looking forward meeting you.

Kisses
Anne
